

The Abilene Chapter KS DAR Business Related Scholarship

Up to two \$500.00 Scholarships will be awarded to students who are entering school for a Bachelor's degree in Business Administration, Accounting, Computer Sciences or other Business Related Fields. Preference will be given to adults returning to school to further their education in these fields. The scholarships are intended to encourage and reward the qualities of dependability, leadership, service and patriotism to those who want to return to college. Dee and Bill Marshall have established this DAR scholarship which will be awarded to Dickinson County residents.
